

Club Brewer

The *Club Brewer* is a monthly electronic newsletter designed to deliver valuable information and resources to Vassar club alumnae/i volunteers in a fun fashion. Included in the newsletter is information on upcoming Vassar club events, links to online services (e.g., Speakers Network Program guidelines and request form; broadcast email guidelines; and club directory, list, and labels requests), a club spotlight series, Vassar events and facts, volunteer birthdays, and other important information that will assist club volunteers in carrying out their function.

Vassar club volunteers are encouraged to submit text and images on recent events to be included in the *Club Brewer*. In addition, clubs should frequently update AAVC on future club events to be included in the *Club Brewer* and on the AAVC online events calendar.

The feedback received from club volunteers regarding the newsletter was extremely valuable and constructive. Please feel free to contact the Assistant Director of Alumnae/i Relations Charlene Larson '05 with your club spotlight submissions, and questions or suggestions, at chlarson@vassar.edu or 845.437.5446.
